Account: 10001, 10004, 10007

Real to Logical
ID Map

The diagram illustrates a mapping from real IDs to logical IDs. A large rounded rectangle labeled 'Vertex ID Space' contains two smaller rectangles. The top rectangle is labeled 'Business: 2, 5, 8' and the bottom rectangle is labeled 'Account: 10001, 10004, 10007'. To the left of the 'Vertex ID Space' box, the text 'Real to Logical ID Map' is positioned. Two arrows originate from the right side of this text: the top arrow points to the left edge of the 'Business' box, and the bottom arrow points to the left edge of the 'Account' box.
